Arrival & Departure

Your transportation will be provided to and from the Cancun airport. You will be notified with all specifics before your departure. *As long as we have your flight itineraries, you're taken care of ! :)*

Mexico is open to travelers!

No COVID Test or Vaccination is required upon entry.

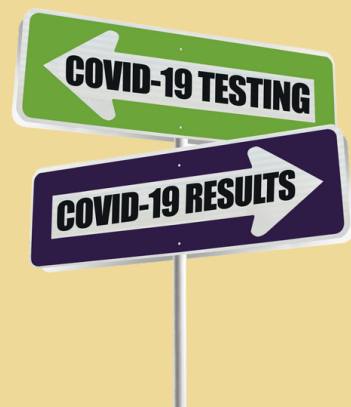

However, to get back into the United States, you will need a negative COVID test from within 72 hours of traveling. This will be arranged for everyone leaving Sunday Oct 17 (the last day of the retreat) to be tested on Thursday, Oct 14.

The estimated cost for the PCR Test in Tulum is around \$49.50 USD (or 999 Mexican Pesos). We are working on a way to make this as convenient as possible & will keep you updated if there is anything else you need to know.

COVID-19 requirements to enter the US

All passengers 2 years of age or older, including citizens and residents, must present:

- Electronic or printed proof of a negative viral COVID-19 test (PCR or antigen) performed no more than 3 days before your flight departs.
- If you have had a positive test in the past 3 months, you may travel instead with documentation of your positive viral test results and a letter from your healthcare provider or a public health official that states you have been cleared for travel. The positive test result and letter together are referred to as documentation of recovery.

Packing Tips

Typical October Weather: *Hot & Sunny*

*Daily Highs range from 80-90 * Daily Lows range from 65-75*

Sunshine & Island Wear

- Sunglasses
- Sunscreen
- Swimwear & Coverup
- Sandals and beach shoes
- Shorts & short-sleeve shirts/blouses + summer wear. Think beachy casual - comfortable, breezy and sunshine-friendly!
- A beach bag or backpack

Evenings

- Light jacket/sweater for windy nights
 - Dinner outfits - think island "dressy," nice but casual, such as linen shorts/pants/blouses/sundresses.
 - THEME night outfit! ...Super Hero you identify with the most
- *heels are **not** recommended*

Activewear

- Workout clothes & shoes for daily yoga, workouts, or hikes

Other

- Books for your free time
- Pen/Pencil for taking notes
- Light jacket/rain jacket in case of rain
- Extra plastic bag for wet clothes
- Bug Spray
